

The present application contains claims 1-38, 66-102 and 104-110. Claims 39-65 and 103 have been canceled, further to their being the subject of one or more continuing applications. The claims have been amended to put them into proper form for US examination. New claims 105-110 represent the drafting of certain claims that were in multiply dependent form into singly dependent form.

An examination on the merits is respectfully requested.

Respectfully submitted,  
W. RETSCHKE, et al.
